Certificate IV in School Based Education Support

Are you interested in a rewarding career in education support? Our Certificate IV in School Based Education Support course has been tailored to meet industry needs and standards through comprehensive consultation with industry professionals.

About the course

This qualification reflects the role of workers who assist teachers and support student learning in a range of classroom settings under the guidance of a teacher or other educational professional.

At this level, workers may be involved in facilitation of learning for a range of instructional groupings, including for

those students in need of additional support. In these roles, the education support worker sources and analyses information from diverse sources, may work with limited direct supervision and could provide guidance to other workers.

~It is required that our students undergo a National Police Check prior to commencing the practical placement. Practical placement may not be possible if a check that is carried out contains adverse outcomes. In this instance, you may not be able to complete your qualification and your employment opportunities may be affected. If you are aware of or are concerned about anything that may appear on a Police Check, please discuss this at your enrolment interview.

*BRACE Education Training & Employment LTD offers \$0 tuition fees for eligible students. Please see our website for further details on fees and eligibility criteria.
